PANORAMA

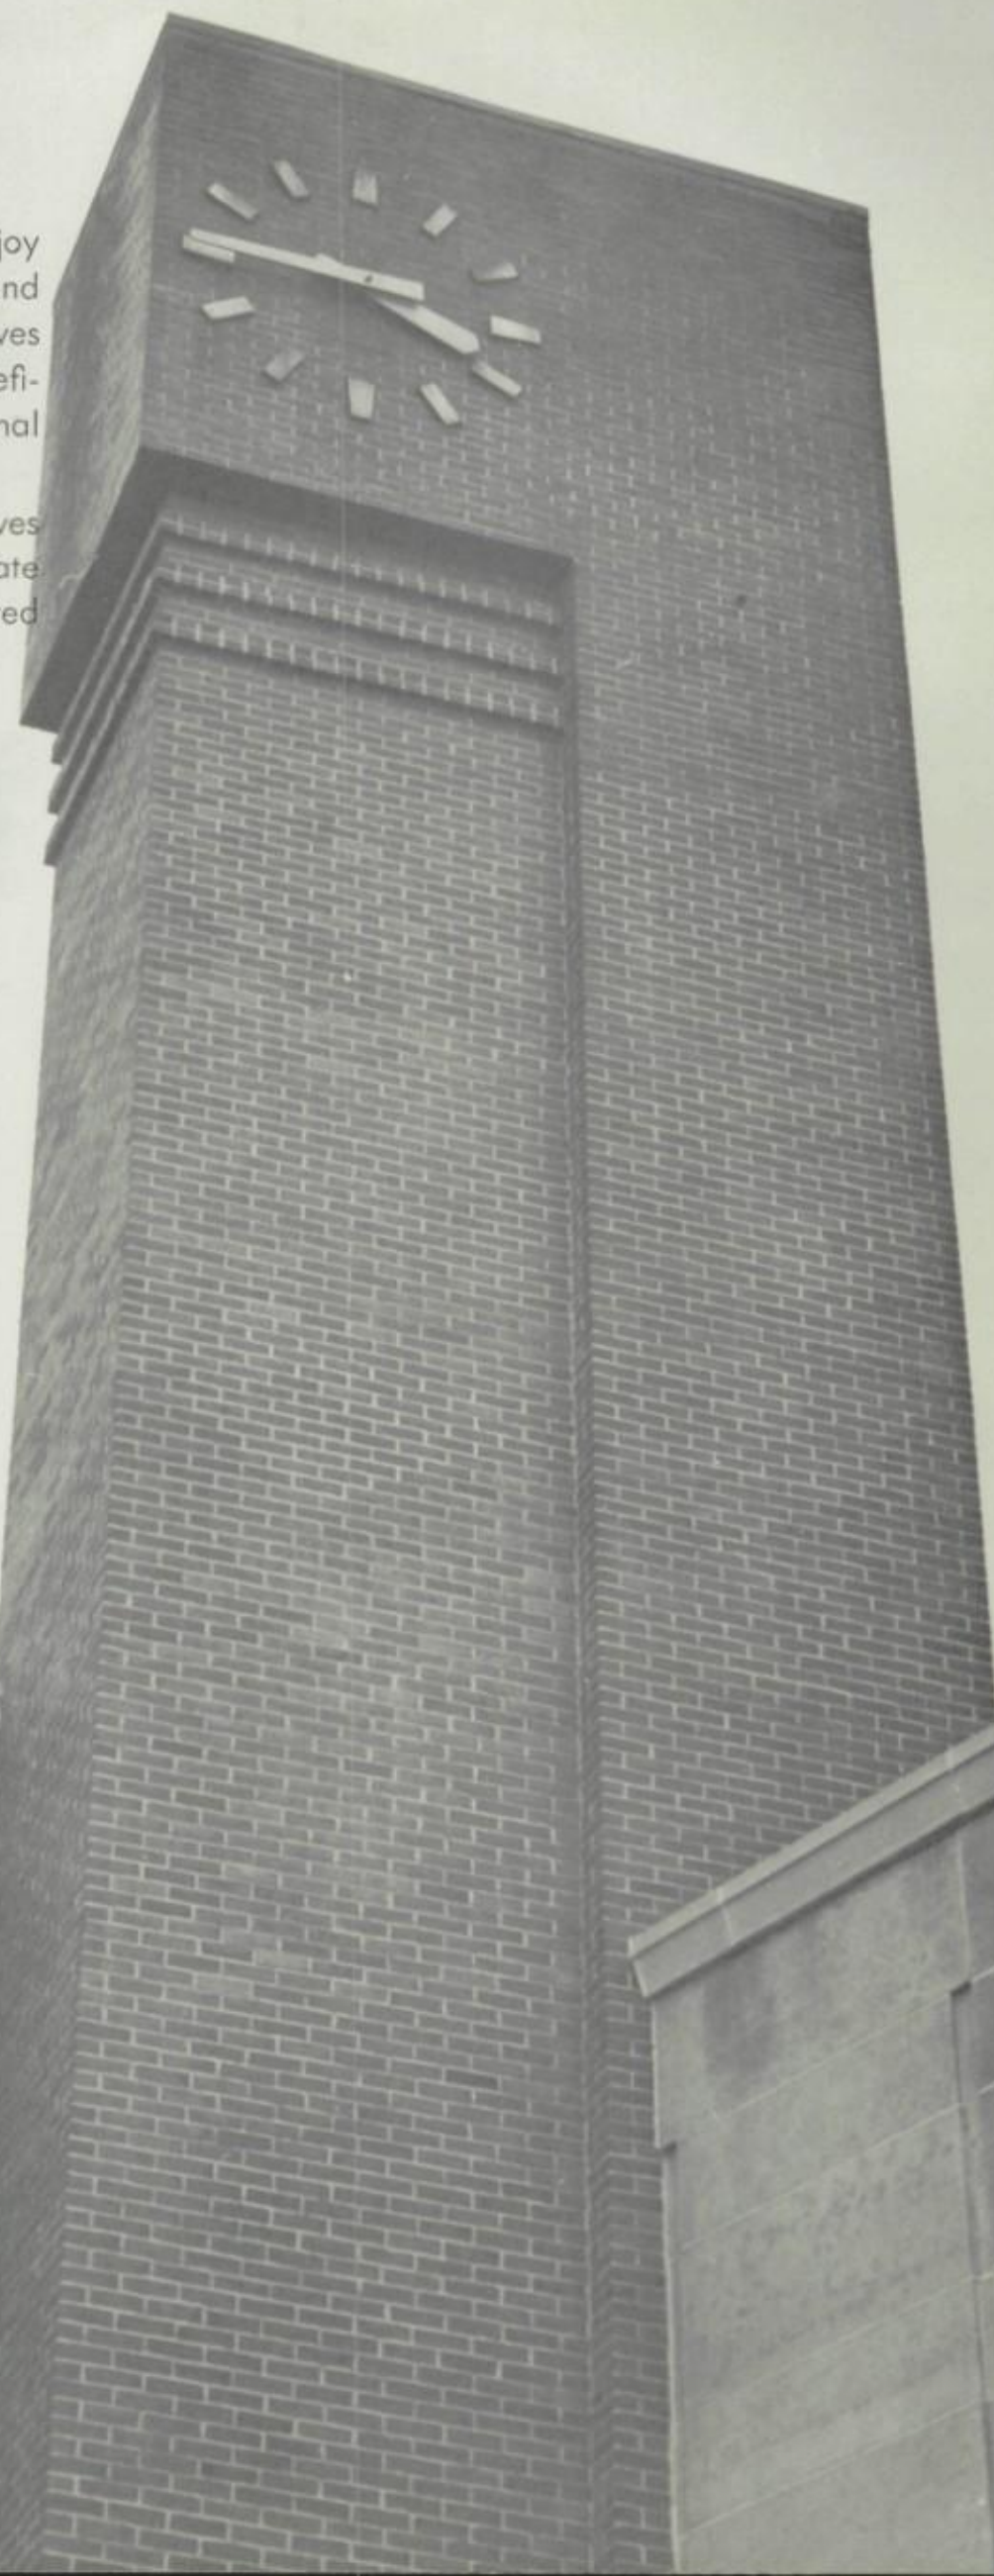

FOREWORD

Throughout our short lives we have experienced joy and sorrow. We have experienced discovery and the problems initiated by it. In deciding for ourselves who we are and trying to assure ourselves of a definite purpose, we have also experienced emotional confusion.

As we, the senior class, strive to identify ourselves as adults, we realize that we need to formulate goals in accordance with the challenge presented by our times.

DEDICATION

We, the *Panorama* staff of 1962, dedicate this edition to the Challenge of the Future. As we take our places in the world of widening horizons that awaits us, may we also dedicate ourselves to this great Challenge.

PRESENTING A

PANORAMA

OF SPRING

AT
NORTHERN HIGH SCHOOL
DILLSBURG, PA.

VARSITY BASEBALL TEAM

HITTING THOSE HOMERS

Varsity Baseball

The Varsity baseball team, coached by Robert Baker, compiled a record of three wins, nine losses, and one tie. Wins were recorded against Susquenita (twice) and Boiling Springs.

There were only three seniors on this year's team which was composed of twenty boys. This will leave the team with many experienced players for next year's season. The seniors on this year's team were Rick Baker, Larry Chronister, and Woody Knaub. Two other seniors, Jim Dorsey and Ron Elicker, were managers.

Softball

The girls' Softball team, with 27 girls, won one game and lost eight. The only win was in the game against Cedar Cliff. Four seniors were members of the team: Judy Hoover, Linda Wire, Barb Price, and Charlotte Keller.

Miss Dietz, the girls' coach, said that there is "promise of having a much better team next year."

GIRLS' SOFTBALL TEAM

JUNIOR HIGH BASEBALL TEAM

The Junior High Baseball team had a record of four losses and one win. Although there were only a few games, the boys played well and "were just getting into the swing of things when the season ended" said Mr. Watkins, their coach.

Thirteen freshmen were members of the team and are eligible to move up to Varsity next year. Seventh grade prospects looked good — a fact which makes us look for better baseball in Northern's future.

RAISING THE SCORE

WINTER SPORTS SUMMARY

In a special part of the Winter Sports Assembly, awards were given to three senior Varsity football players. The award for the best lineman went to Gary Gochenour, quarterback. Rick Baker, left end and team captain, recieved the "most valuable player" award.

This winter assembly is held for awards to be given in basketball and wrestling. The Senior High Varsity basketball team posted a 5-13-0 record while the Senior High Junior Varsity's record was 4 wins and 14 losses. In the Junior High, neither the Varsity nor J.V. team was able to overcome its opponents. Jim Spangler and Dick Hollinger won the foul shooting awards given for Sr. High Varsity and Jr. Varsity. In the Blue Mountain League scoring, Don Harlacher ended the season in tenth place while Rick Baker finished in second place, after leading the league scoring for three and a half weeks.

The wrestling team compiled a record of four wins and four losses. In the York County Novice Tournament we had four first place and four second place winners. Northern was fortunate to have had two sectional champs: Eugene Good, senior 95 pounder, and Jon Sileo, junior 138 pounder.

TRACK
Top — Field
Bottom — Track

This year was a record-setting year for the track team, coached by Robert Terry. Records broken and the team members who broke them are javelin, Gary Gochenour; shot put and discuss, Joel Heberlig; mile run, Penrose Myers (also broke conference record); 880 relay: Jay Young, Loudon Hoffman, Gary Gochenour, Jim Young;

and mile relay: Jay Young, Loudon Hoffman, Gary Gochenour, Francis Myers, Penrose Myers.

There were six members of the Class of '62 on the team: Jay Young, Gary Gochenour, William Weder, Penrose Myers, John Myers, and Jay Hammond.

SHOWING TALENT IN SPORTS

This year was a rebuilding year for the golf team, coached by Mr. Bostic. However, at graduation the team will lose only one senior, Jim Otto. There are four juniors and two freshmen members this year, so that Mr. Bostic is "looking forward to a much better season next year."

The team was a member of the Central Pennsylvania Interscholastic Golf League and home matches were played at the Range End Country Club. The team record was six wins and nine losses. This year Bob Huffman, a junior, received the "most valuable golfer" award.

TRI CLASS PLAY

L. to R. B. Nell, P. Albert, C. Hertweck, G. Nell, F. Rinehart, L. Stott, D. Uhler, D. Seibert, and L. Miller.

"Our Miss Brooks," a three-act comedy based upon the television series of the same name, was presented by members of the Sophomore, Junior, and Senior classes on March 29 and 30.

Linda Miller, in the title role, played a high school English teacher with more than her share of worries. Having passed over the school board president's daughter (Fran Rinehart) in a "best theme" contest, Miss Brooks was subjected to the "third degree." As if this were not enough, she was then forced to direct the school play. During all this trouble she had to maintain her good standing with the principal (Glenn Fahnestock) and the athletic coach (Fred Chubb). However, Miss Brooks successfully handled her problems and all ended

well.

Taking the part of the school board president was Phyllis Stambaugh; the librarian, Susan Gruber; the music teacher, Gayle Strayer; and students: Anna Beard, Richard Uhler, Dianne Seibert, Linda Stott, Chris Hertweck, Barb Nell, Donna Uhler, Paul Albert, and Gerald Nell.

Mr. Charles Stoops directed the production, assisted by Mr. William T. Houser.

Publicity, tickets, properties, staging, and other duties were managed by members of the three classes, guided by their faculty advisors: Mr. William Houser, Mr. Lloyd Wagener, and Mrs. Thelma Armstrong.

CHOIR

CO-OPERATING TO PROVIDE

During the second semester, the Music Department produced four presentations: the Spring Band Concert, the Junior High Concert, the Spring Choral Concert, and Music Night.

The guest artist for the Senior Band Spring Concert was Don McCathren, who presented "Five Dances for Five Clarinets" and directed two numbers.

Both band and choruses participated in the Junior High Concert. Along with the group presentations, many of the members presented solos.

The Choral Concert included numbers by all of the school's choral groups. This year the choruses also had guest artists — the York-Aires.

As their final musical presentation the Music Department presented Music Night. Participants in this produc-

tion included the Junior High Girls' Chorus, the Junior Mixed Chorus, the Junior Dance Band, Senior Dance Band, Junior High Band, and Senior High Band. There were also some special groups: a Jr. High Trumpet Trio, a Jr. High Vocal Trio, a Piano Duet, and the Angel Choir. The marches "Mount of Might" and "Union" were directed by Sr. Band student directors Tina Bowers and Dianne Seibert. In their final appearance, three senior members of the band presented solos in "Showcase." They were Charlotte Keller, clarinet; Jay Young, tenor sax; and Tina Bowers, bassoon. The theme for this year's Variety Show, directed by Mr. Wagener, was "Broadway Melody." The highlight of this program was the Varsity Cheerleaders' rendition of "Doin' What Comes Natur'lly."

VARSITY CHEERLEADERS

NATIONAL HONOR SOCIETY

SERVICE AND LEADERSHIP

On February 22 the induction of new members into the Northern Chapter of the National Honor Society was conducted in assembly with senior high students, parents, and guests attending.

Eight new members were admitted on the basis of their scholastic standing of "B" average or above, character, leadership, and service. The inductees were Martha Cook, Susan Gruber, Verda Weder, and William Weder; Seniors, and Donald Harlacher, Ray Hartman, Jon Sileo, and Donna Uhler; Juniors.

The ceremony was conducted by the five present members. Tina Bowers presented the origin, principles, and purposes of the society. Linda Miller, Ann Bentz, Kathy Evans, and Esther Cook presented recitations on the principles of the society: character, scholarship, leadership, and service. M. Luther Scott, supervising principal, addressed the group and presented the students for induction. To complete the ceremony, the members were given candles which were chain-lighted from colored candles representing the society's four principles. The members then repeated the pledge. After the ceremony, the new members were guests-of-honor at a tea held in the library.

As their final service projects of the year, the members were hosts at Career Day and guides for the sixth-grade orientation tour of the high school.

The morning after the night before

Anything interesting?

After weeks of planning and of anticipation we (fifty-nine class members, Mrs. Armstrong, Mrs. Rider, Mr. Williams, and Mr. Wagener) finally boarded the buses which would take us to the station at 6 A.M. Friday morning, May 4. Entering the train, we found ourselves in sole possession of the last car. After an uneventful trip (we didn't lose anyone from the open end of the car), we arrived at our destination and were met by buses which took us on a tour of uptown New York, stopping at the Cathedral of St. John the Divine. We were then taken to the Hotel Taft and assigned to our rooms. After lunch we toured Rockefeller Center and zoomed to the top of the R.C.A. building (69 stories in 33 seconds). While at R.C.A., we became performers in our own closed-circuit telecast.

ON THE SIDEWALKS OF NEW YORK

The Innocents

UH OH!!!

Seasick, Shirley?

Disgusted, Conway?

Too Much New York?!

Devil and Angel

Dinner in the Grill of the hotel with dancing to the music of Vincent Lopez was the next event. After dinner we walked to the Radio City Music Hall where we saw the Easter program which included "A Salute to Walt Disney" and the movie "Moon Pilot." After one of those famous "nights in New York," we rose early and gathered for a tour of the United Nations. In the afternoon we took the subway to Battery Park where we met the ferry to Liberty Island. Returning to the mainland, we met our tour buses again and visited Chinatown, the Bowery, and Greenwich Village. Too soon we were back at the station, ready to return from a trip we will long remember.

THE END

CLASS

On Tuesday evening, June 5, 1962, the eleventh annual Commencement exercises of Northern High School were held. Eighty-four members of our class — the Class of 1962 — participated.

James Dorsey, class president, gave a welcome address and presented the class gift, the passbook to a scoreboard fund established by the class. Kathy Evans gave the student address and Verda Weder introduced the speaker, Dr. Robert Kazmayer. Dr. Kazmayer, renowned news expert, addressed the graduating class on "The World We Face."

Awards were presented to class members in the annual senior awards assembly. Awards and recipients were Danforth Foundation Awards — Linda Miller, Eugene Good; Northern PTA Award — Linda Miller; York County PTA Award — Ann Bentz. Dillsburg Woman's Club Award — Sherry Fissel; Warrington Neighbors Woman's Club Award — Esther Cook; American Legion Auxiliary Award — Linda Miller; American Legion Award — James Dorsey; Junior

FACULTY

To the Class of 1962:

We are living in the most challenging age in human history. With wars blowing hot and cold, technological and scientific advances, automation, and a host of other things that tend to make modern day living a complexity, we hope that Northern has prepared you to meet the future with a confidence that you will succeed and master the problems facing our world. We hope that you will wisely use the knowledge gained here. We wish everyone of you an abundance of success.

M. LUTHER SCOTT
Supervising Principal

PROGRAMMING

Members of the Class of 1962:

You are now in the twilight of your high school careers. We, on the school staff, are hoping you have gained knowledge, poise, and a greater degree of maturity, which will help you be a successful citizen and member of society for tomorrow, when you will be stepping out into the world of adults. You will be expected to make your own decisions, be responsible for your own acts, and successfully take your place in society.

We bid farewell and assure you that you have our best wishes for a successful future.

TEACHING THROUGH

The capable members of the Language Department taught members of our class Latin, Spanish, French, and English.

Language is the basis of communication. Without words we could not understand each other. Without language we could learn no other subjects, for we would be unable to comprehend any fundamental ideas.

FRIENDSHIP LANGUAGE

Increased language skill leads to broadened horizons. In the life of today, it is not only necessary to know our own native language, English, but of great advantage to know others also. We can then communicate intelligently with people who speak other languages, at home and abroad. We must be able to understand others, and they must be able to understand us, if we are to successfully carry out the mission of world peace.

GUIDING THE SOCIAL

Faculty members in the Social Studies Department taught us the history of our country — and of the world; the study of our government; and the geography of the earth. We learned the relationship between the people and their environment; these in turn intimately related to the governments and their work. Junior high geography and World Geography courses afford to the student a chance to study the physical make-up of the earth — topography, climatic

conditions, and distribution of flora and fauna. Through the required courses — Pennsylvania History, Civics, World History, American History, and World Affairs — we learned to appreciate the work done by those who have laid the foundation for us to build upon. It is readily perceived that Northern supplies the good foundation and emphasis on the future so necessary for social success.

INSTRUCTING AND

To meet the challenges rendered by complex problems in an age of mechanization, a variety of programs have been instituted in the Mathematics and Science Departments. In the junior high, students follow courses in General Science and Mathematics Fundamentals. Academic studies available to senior high students are Biology, Chemistry, and Physics, as well as Algebra (I, II), Plane Geometry, Trigonometry, and Advanced Mathematics. Advanced Science and Commercial Math courses are also offered.

US IN MATH SCIENCE

Classroom studies (including laboratory investigations) are augmented by field trips. The close relationship between mathematics and science is ever apparent to the student. Competition in these fields of study is great, being especially encouraged by the Annual Science Fair in which students display the results of much planning, research, and building to create a successful project. Because society is becoming more competitive every day, such competition is a worthwhile experience.

Another very important part of school life at Northern is the Business Department. It offers a course in General Business to ninth graders; senior high students in the Commercial Course may study Typing (at least one year must be taken by all students), Business Law, Consumer Education, Shorthand, and they may also do office work in Office Practice classes. The training provided by the Business Department is of great importance to students planning to enter the business world.

A plan of studies in Vocational Agriculture is a popular course because of Northern's location. It offers training in the field of farming, which is becoming more scientific every day.

Students study Practical Arts in the seventh, eighth, and ninth grade. Additionally, there are courses offered as electives to senior high students. These courses in Industrial Arts and Home Economics are important in developing self-expression and independency.

ENRICHING

The study of music is required in the junior high school years. Additionally, students may elect Junior High Marching and Concert Band and Junior High Chorus. Senior high students participate in Boys' or Girls' Chorus, Choir, Dance Band, and Senior Marching and Concert Band. Music provides enjoyment and relaxation for many students, as well as teachers and parents.

The art department also aids the development of self-expression. Courses in art are requirements in junior high school and art may be taken as an elective in senior high school.

Special Education is provided so that all students may benefit from our educational program.

OUR LIVES

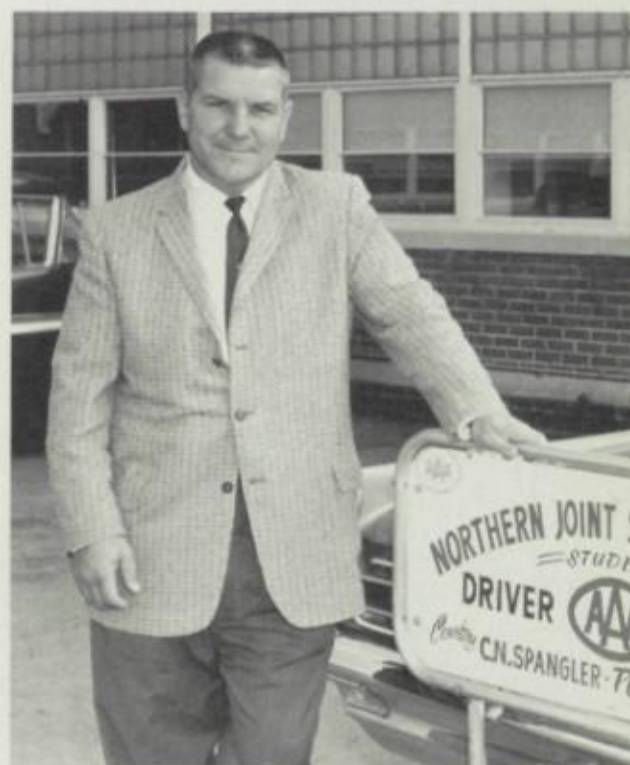

Health classes and instruction in driving are also provided for students.

Through the increased emphasis on physical fitness, the Physical Education Department has risen to greater popularity. Underclass girls and all boys in the physical education classes took physical fitness tests. Basic fundamentals of all sports are taught, and tumbling and apparatus work also provides recreation for students. By participating in athletics, we build our bodies, learn good sportsmanship, and realize the necessity of teamwork.

CLASS HISTORY

In September of 1956 the members of the Class of 1962 first set foot in Northern's halls. There were 150 of us, scared and bewildered by the newness and bigness of the school. We were assigned to four homerooms. Mr. Watkins was our advisor. The officers we elected were Jay Young, President; Carl Landis, Vice President; Judy Taylor, Secretary; Kathy Evans, Treasurer; and Larry Chronister, Historian.

As eighth graders we were again divided into four homerooms, this time with Mr. Brenner, Mrs. Snelbaker, Mr. Wagener, and Mr. C. Musser as teachers. Mr. Klotz took over as class advisor helping the President, Carl Landis; the Vice President, Kitty Cassell; the Secretary, Jay Young; and the Treasurer, Drusilla Lehman, reorganize our class.

We really started our class activities as Freshmen with Rickey Baker leading the class as President. We got our class treasury off to a good start by building our float "Miss Alaska of 1962" which won first prize in the Farmers' Fair Parade. Our stand, situated in front of Wiley's Appliance Store and decorated in the newly chosen class colors, blue and gold, also added needed funds to our treasury. Other activities included a skating party at Rainbow Rink and bake sales. Assisting the President this year was Vice President, Charles Bretz. Ronald Wenger watched over our class treasury and Ann Bentz kept our class records. The year's events were recorded by Barbara Greenfield. Our homeroom teachers were Mr. Nell, Mr. Swartz, and Mr. Sigmund.

Starting out early on a rainy morning in May, we traveled to our nation's capital on our ninth grade class trip. After a relatively unexciting trip down (we only broke a fan belt) we were delighted to see the sun come shining through as we started on our trip around the town. We visited the Washington Monument, Smithsonian Institute, the Capitol, and the Washington International Airport. Tired as we were, we arrived back in Dillsburg wishing we could've stayed much longer.

September 1959 saw us as Sophomores. This year our class advisor was Mr. Blyler. We were again divided into three homerooms; this time our teachers were Mr. Marsteller, Mr. Swartz, and Miss Wright. Glenn Fahnestock served as class President. Charlotte Keller was Vice President. Keeping the records were Charles Monmiller, Secretary, and Gerald Slothower, Treasurer. We again had a food stand at Farmers' Day and our float "Star Princess" brought us many rewards. We also sponsored the Christmas dance and several bake sales. Five class members helped make our tri-class play, "Cracked Nuts," the big success it was.

At the beginning of our Junior year Mrs. Armstrong took over the reins of the Class of '62. With her help the officers (President, Tina Bowers; Vice President, James Dorsey; Secretary, Jay Young; and Treasurers, Judy Taylor and John Myers) planned many activities: our stand at the Farmers' Fair; our striking red, white, and blue float, "The Election Year;" bake sales; skating parties; our cold, cold car wash; the Valentine's Dance; and our biggest project — the Junior-Senior Prom, "Blossom Time." Homeroom teachers this year were Mrs. Wessels, Miss Myers, and Mr. Stoops.

In the fall of 1961 we began our long-awaited Senior Year. Mrs. Armstrong again was our advisor. Our smaller class was now divided into only two homerooms with Mrs. Kerr and Mr. Nell as teachers. Our stand at Farmers' Day again proved quite successful. Lois Sherman was elected Homecoming Queen and reigned over the annual Homecoming Dance. A few weeks later Carolyn Rosvally was chosen Queen of the Farmers' Fair. Many hours of work were put into the preparation of our Senior Play, "The Groom Said No!". As Christmas time approached we trimmed our Christmas tree and sold candy. With the approach of the Easter season we sold Easter candies. We had a wonderful time at the Junior-Senior Prom as our senior year was fast drawing to a close. Our exciting trip . . . Baccalaureate Service . . . Graduation ceremonies . . . we were no longer Seniors — we were alumni!

LEFT TO RIGHT: Susan Gruber, Sherry Fissel, Betty Harbold, Esther Cook, Charlotte Keller, James Dorsey.

Our class officers planned our year, organized our activities, and promoted class spirit. James Dorsey stood at the head of the Class of '62. Susan Gruber served as our efficient Vice President. We had two capable secretaries: Sherry Fissel and Esther Cook. Sherry served as corresponding secretary and Esther as recording secretary. Our busy class treasurer was Charlotte Keller. Betty Harbold recorded our class history.

Through the leadership of these officers, the Seniors of '62 experienced a memorable senior year.

PREPARING TO MEET

The eighth graders, with a year's experience in high school, help the seventh graders through their trying times. They tell them the "inside stuff" about the faculty members they will meet and help them find their way about the school. Of course, the eighth grade members still have some questions to ask the upperclassmen too.

GETTING ACQUAINTED

Many new experiences awaited the seventh graders when they stepped into Northern. Showing their uncertainty, many were heard to say such things as "It's so big!"; "I just know I'll get lost!"; "Where's room 53?" Going from class to class, they tried their best not to get lost. They also

ACTIVITIES

SENIORS

REMEMBERING

We held our prom on May 29, 1961, in the ballroom of the Chalet. Although the weather was not the least bit spring-like, flowers bloomed all around in "Blossom Time" as we danced to the Greenwood Swing Band. Our class Vice President, James Dorsey, having been appointed by Tina Bowers, class President, as general chairman of all the prom committees, served very capably. Linda Miller wrote many letters in quest of an orchestra, and Jay Young was in charge of getting the necessary information and setting up the programs. Ann Bentz headed the ticket committee. Gayle Strayer and Susan Gruber spent many hours designing and making decorations. They also assisted and

directed the additional members of the decorating committee when the time came to arrange the decorations as we wanted them for the prom. Mrs. Armstrong, our loyal class advisor, ably supervised the many committee meetings and helped solve all of our problems.

We will carry fond memories of this evening with us forever: the girls — so beautiful in their gowns, the boys — so handsome and thoughtful, the flowers — so many, blossoming in bright corsages, the food — so good, and especially the dreamy music — making this evening truly "a night to remember."

STIMULATING DEVELOPMENT

Five members of our class were admitted to the National Honor Society in the second semester of their junior year.

Prospective members of this society must be in the top one-third of the class and possess the qualities of leadership, scholarship, character, and service. New members are nominated by present members and the nominations are taken before the faculty for final approval. Fifteen percent of the Senior class and five percent of the Junior class members are eligible to become members.

The purpose of the society is to instill in the students a respect for education and a sense of moral and aesthetic values. This year's

projects included an orientation day tour for prospective seventh graders, direction of devotions and introductions in assemblies, and a dance to honor new members.

The biggest event of the year was the installation service and tea to honor the new members.

Club meetings were held in alternate weeks during the school year. The club officers were Tina Bowers, President; Ann Bentz, Vice President; Kathy Evans, Secretary; Esther Cook, Treasurer; and Linda Miller, Historian. Mrs. Armstrong advised the members of the society.

Mrs. Armstrong and Tina plan future activities.

Members look through their scrapbook.

Student Council

OF STUDENT EXPRESSION

The Student Council of Northern High School is well known for the many projects it undertakes in an endeavor to better student life. It is the student government of the school, comprised of elected representatives and officers. Representatives are elected from each home-room. In addition, there is one representative from each of the top three classes. Completing the membership, the officers, elected in the spring of the preceding year by the entire student body, assume their duties.

This year the activities of the council have included a Homecoming bonfire, maintenance of vending machines (pencils, pens, and tablets), and the cafeteria jukebox, sale of bookcovers, candy sales at basketball games, and playing Christmas music during the pre-Christmas season. In an effort to better student-faculty relationships, the council again sponsored Student Day, giving chosen students a chance to assume the responsibilities of faculty members. To give recognition to achieved academic excellence during the year, names of those pupils achieving the honor rolls were placed on the Honor Board, located in a prominent place in the lobby.

A vital part of our student life, the Student Council deserves much credit for its "jobs well done."

PRODUCING

Most clubs have many activities, many aims, and several projects. Northern's yearbook staff strives toward only one goal — to publish a book which will help us remember our times at N.H.S. It has been a tradition at Northern to call the yearbook the PANORAMA.

For one full year, the editorial staff has been at work preparing copy, pictures, and art work for that one big project. Ever working against deadlines and by some miracle meeting them are parts of the struggle to produce an even better yearbook.

THE PANORAMA

Every year the PANORAMA staff goes unnoticed until that important day at the end of the school year when the year-books finally arrive. Then, the seniors and faculty members get writers' cramp and, finally, a satisfied feeling.

It isn't long until the PANORAMA takes its place on a shelf and stays there for a long time. But, someday, someone will pull it down and say, "You know, this is a pretty great year-book! Did you really look like that when you . . . ?"

COMMUNICATING IDEAS

PLANNING THE COMING ISSUE

"When do we get the next issue?" is a question common to Northern students. Of course, they're talking about our school newspaper, the "Purple and White." The paper was issued seven times during the 1961-62 school year and all students who wished to be well-informed quickly bought the latest issue and read its many interesting articles, ranging from very serious to highly humorous. All the latest happenings could be seen in print, as well as art work and photos. We even had a gossip column. With the increasing importance of Northern in the sports world, many articles were devoted to the accomplishments of our teams.

Each staff member did his best to help meet the deadlines: reporting, writing, editing, and typing.

Mrs. Rhone was the faculty advisor, willingly giving assistance and encouragement to the newspaper staff.

STAGE CREWS

The Senior and Junior Stage Crews are responsible for making things run smoothly in the auditorium. Members of the stage crews build and paint backgrounds for our plays, correlate lighting effects with programs and assemblies, and arrange the stage so that it can be used to the best advantage. Mr. Blyler advises the boys.

A.V.A.

The Audio-Visual Aids, advised by Mr. C. Z. Musser, are most commonly seen with projectors and screens. The boys devise a working schedule and carry it through efficiently: they see that projectors arrive where they're needed at the right times, they show movies and slides, and the more experienced members of the club teach the younger members the knowledge necessary to do this type of work.

JUNIOR HOMEMAKERS

The Junior Homemakers, advised by Mrs. Goodling, learned many basic ideas in the efficient running of a home. The girls planned many of their own activities; giving a Halloween Party, making candles for Christmas, and learning skills in crocheting and sewing. Through their activities this year the members of the club gained knowledge of what they may expect in the future.

F.F.A.

The Future Farmers had an active, busy year. Eight boys, accompanied by Mr. Spoerlein, attended the officer training school in Red Lion. The annual F.F.A. night was again a big success, with over 700 farmers and businessmen attending. Eleven boys won prizes at the 1961 Farm Show and four boys played in the band. At the National F.F.A. Convention at Kansas City, Mr. Spoerlein coached the Pennsylvania Livestock Judging Team and Ronald Detter was a member of the National F.F.A. Band. Additionally, many members entered exhibits in the York and Dillsburg Fairs.

FUTURE NURSES

The Future Nurses, advised by Mrs. Rider, helped arrange the school health records; collected, sorted, and distributed clothing for use by needy families; and packed a basket as a Christmas present for a deserving family. At club meetings the girls heard speakers tell of the problems and satisfactions encountered in their nursing. The club members gained experience for their future careers through their many interesting activities.

BUSINESS CLUB

The Business Club, advised by Mr. Matthews, participated in many interesting activities. Several films were shown in their meetings and a speaker from a local engineering firm addressed the group. In addition, the club members also planned a field trip. The organization's project for the year was preparing a follow-up report on last year's graduates who had followed the commercial course.

JUNIOR TRI-HI-Y

The members of the Junior Tri-Hi-Y participated in district meetings in different parts of York County, tried to help needy persons at Christmas and Easter, held a Mother-Daughter Banquet, baby-sat at P.T.A. meetings, and, for their own enjoyment, went bowling and to the movies. The girls raised money to pay their expenses by selling candles, novelties, and cards.

BUILDING CHARACTER

JUNIOR HI-Y

The purpose of the Junior Hi-Y are to create an understanding of the Y.M.C.A. and its purpose; to mold leaders by example, opportunity, and experience; to give all boys a knowledge of responsibilities to home, life, and community not gained in other areas: to uphold the Y.M.C.A. Ideals of Mind, Body, and Spirit; to aid world service and to understand problems of other children; and to have fun and enjoy this community and its advantages.

JUNIOR PHOTOGRAPHY CLUB

The Junior High Photography Club members learn the fundamental ideas in photography so that when they advance to senior high, they will be able to comprehend more advanced concepts.

COMMERCIAL ART CLUB

The Commercial Art Club was another service club in the school. By providing posters for use by many local organizations in their publicity work, the members gained valuable experience which will help them in their future. Teaching the five members of the club how to create striking and pleasing effects through neat lettering and correct placement was Mr. Lloyd Wagener, club advisor.

JUNIOR SCIENCE CLUB

The purpose of the Junior Science Club is to inspire and stimulate interest in science. Included in club activities were individual and group projects in science. One of the main projects of the club this year was to make a florescent rock and mineral display.

G. A. A.

In their meetings throughout the year, the Girls' Athletic Association planned their activities: bowling, ice skating, and sledding. Some club periods were also spent playing basketball and volleyball. Girls who received varsity letters and participated in the intramural program received blazers from the Association.

These volunteers spent time in the library repairing and cataloguing books, checking books in and out, keeping records of overdue books, and arranging eye-catching displays. Through the valuable help of these aides, the library was run smoothly and efficiently.

ACTING IN OUR

PLANNING COMING PRESENTATIONS

This year's Drama Club is a combination of the "Paint and Patch" and "Dramatis Personnae" clubs of several years ago. It is composed of both junior and senior high members under the direction of Mrs. Bickhart. The officers are Dave Roberts, Pres.; Beth McGrow, V. Pres.; and Glenn Fahnestock, Sec.

The club presents several assemblies during the year. One entitled "A Case For Two Detectives" was presented in January. In showing the difference in the methods of the Sherlock Holmes and Peter Gunn types of detectives, the play made a great hit with the audience. Not only is acting studied in the club, but also backstage methods, make-up, and costuming.

Members of the club participated in the Senior and Tri-class plays in addition to club programs.

DRAMATIC PRESENTATIONS

On November 16 and 17, 1961, the class of 1962 presented their play, "The Groom Said No!". After many weeks of preparation, the three-act comedy, directed by Mr. Charles Stoops, was presented to large and appreciative audience both nights.

The cast consisted of ten seniors and one junior. Charles Monmiller, in the role of Steve Cameron, played the part of a recently discharged soldier whose mother had planned his forthcoming marriage (not to the girl of his choice). The part of the too helpful mother was played by Linda Miller and her choice for her son's wife, Clara Curtis, by Susan Gruber. However, Steve's father, played by Harry Miller, had a "let the boy do what he wants to do" attitude. Helping Steve in his dilemma were his sisters, Patty (Bonnie Wolf) and Virgie (Amber Kimmel). Steve's choice for his wife, who just happened to be his nurse, was Lt. Shirley Anderson (Gayle Strayer). Ed Smith (Dennis Goodling) finally saved the day for Steve by taking Clara off his hands. Three neighbors also appeared: nosey Mrs. Sorenson (Carole Gladfelter), Mary Alice Smith (Peg Lehman), and "little" Willie Williams (Glenn Fahnestock).

All of the members of the cast acted their roles well and, as a result of their work and co-operation, our play was a great success.

SENIOR HIGH MIXED CHORUS

SINGING SONGS FOR

The Senior High Mixed Chorus, capably directed by Mr. Lauffer, rehearsed long hours in order to learn the many numbers it presented this year.

The Mixed Chorus sang at many churches throughout the year. The program at the Sample Fair also included numbers by this organization. The Chorus sang at the Thanksgiving Assembly and, along with the band, presented the Christmas Assembly. The entire Senior High music department, of which the Senior Mixed Chorus is an important part, presented an evening of music in December — the Christmas Concert. This program was recorded by radio station WHYL and broadcast on Christmas day. In an effort to raise money for new choir gowns, the chorus promoted the Four Star Stage and TV Series by selling tickets and distributing publicity newsheets.

The officers of this year's organization were Glenn Fahnestock, President; James Spangler, Vice President; Mary Jane Henrikson, Secretary; and Robert Wenger, Treasurer. These officers, along with one representative of each member class, composed an executive council, which set rules for attendance and membership.

Since only twenty members of the Chorus were seniors, there were many underclassmen who gained valuable experience for use in future years as members of the Senior High Mixed Chorus.

SENIOR HIGH GIRLS' CHORUS

EVERYONE'S ENJOYMENT

The thirty-seven member Senior High Girls' Chorus sang in the Thanksgiving assembly and presented "Cherubim Song No. 7" in the Christmas concert, singing without accompaniment. Many of these girls will be back again next year and with their ability and experience we may expect to hear outstanding future presentations.

This year Northern had a very large Junior High Mixed Chorus. Singing two numbers, "Prince of Peace" and "Silent Night! Holy Night!", they were an enjoyable part of our Christmas concert. As the concert came to a close, the members joined with members of the Senior Mixed Chorus, accompanied by members of the Senior Band, to present a snow-bringing rendition of "White Christmas."

JUNIOR HIGH BAND.

REPRESENTING

The members of the Junior High Band continually worked to increase their music skills in anticipation of becoming members of the Senior Band. Every year Junior High Band members face more challenging music than before and they are becoming well known for their fine sound. The highlights of the year for the Band were participating in the halftime show at the Parent's Day Game and presenting their part of the annual concert.

The eight members of the Junior High Band Front led the band at all of their marching band appearances. These girls are gaining experience for future years as members of our Senior High band front.

NORTHERN IN MUSIC

"Huckleberry Hound," "The Baby State, Hawaii," and "Coney Island" were three of the half-time shows presented at our football games by the marching band this year. The band also played for pep assemblies and marched in the Dillsburg Fair Parade. Highlights of the fall season were trips to Penn State Band Day and to Harrisburg Marching Band contest where the band received an "excellent" rating.

Northern's Dance Band, ever striving for better sounds and wider fame, provided music for many occasions this year. Among these were the Farmers' Fair Queen Contest, the Sample Fair, and the Lions' Club Anniversary Party. If they continue to progress at the same pace, the Northernaires are sure to gain increased popularity.

STEPPING HIGH IS

Twenty girls compose Northern's high-stepping band front, under the direction of Mr. Wagener. Every marching band has pretty girls to march in front to carry the banners and flags, and to twirl their batons and flags in intricate routines, and Northern is no exception.

The squad leaders this year were Carole Gladfelter (Color Guard), Ann Bentz (Flag Twirlers,) and Kendra Weaver (Majorettes.) These girls supervised the squads and coordinated their routines.

FIGHTING FOR SUPERIORITY

For the first time in Northern's history the Varsity football team compiled a winning record: six victories and three defeats. As a result of this record we were one of the teams involved in a five-way tie for second place in the Blue Mountain League.

The team was coached by Mr. Estright, who was assisted by Mr. Baker, Mr. Rhone, and Mr. Snyder, trainer. Rick Baker and Jon Sileo were team captain and co-captain, and Gary Gochenour, in the quarterback spot, called the plays.

We got off to a good start by beating Bermudian Springs 27-7 in a non-conference game. For our second game we traveled to Susquenita where we suffered our first defeat 32-7. Our Polar Bears, in hot weather — not exactly suited to their nickname, came back in the next game to out-play and out-score Newport 27-6. The following game with Camp Hill was a heart-breaker, and although we outplayed the Lions statistic wise, they managed to squeeze out a victory, winning by only one point 14-13. Traveling to Big Spring we

found the Bulldogs too tough to beat, and we experienced our third and last defeat of the season 25-3. From this point on we were a winning team. The Homecoming crowd saw a wet and muddy squad beat East Pennsboro 7-6. A fourth period touchdown gave us a 6-0 victory over Boiling Springs—the first in our history. Shippensburg's Greyhounds were our next victims — the score was 22-13. In the last game of the season we met Kennard Dale in another non-conference game and again gained a victory 7-0.

Three of the varsity team members were voted positions on the Blue Mountain All-Star squad: Rick Baker, end; Bill Weder, guard; and Jon Sileo, fullback. In addition, Gary Gochenour and Jon Sileo were two of the top scorers in the league.

Of the twenty-eight squad members nine were seniors. The underclassmen have gained valuable experience, and we should have even stronger football teams in years to come.

The Homecoming Court

Hugo and the girls

October 14, 1961, the day of our Homecoming game with East Pennsboro, dawned rainy and dismal, but we didn't let the rain dampen our spirits as we watched our boys, so muddy we could hardly recognize them, beat the Panthers, 7-6. At half-time we saw Senior Lois Sherman crowned Homecoming Queen. Millie Panvini was Sophomore attendant and Sandy Yohe was Junior attendant. In the evening, Lois reigned over our annual Homecoming Dance.

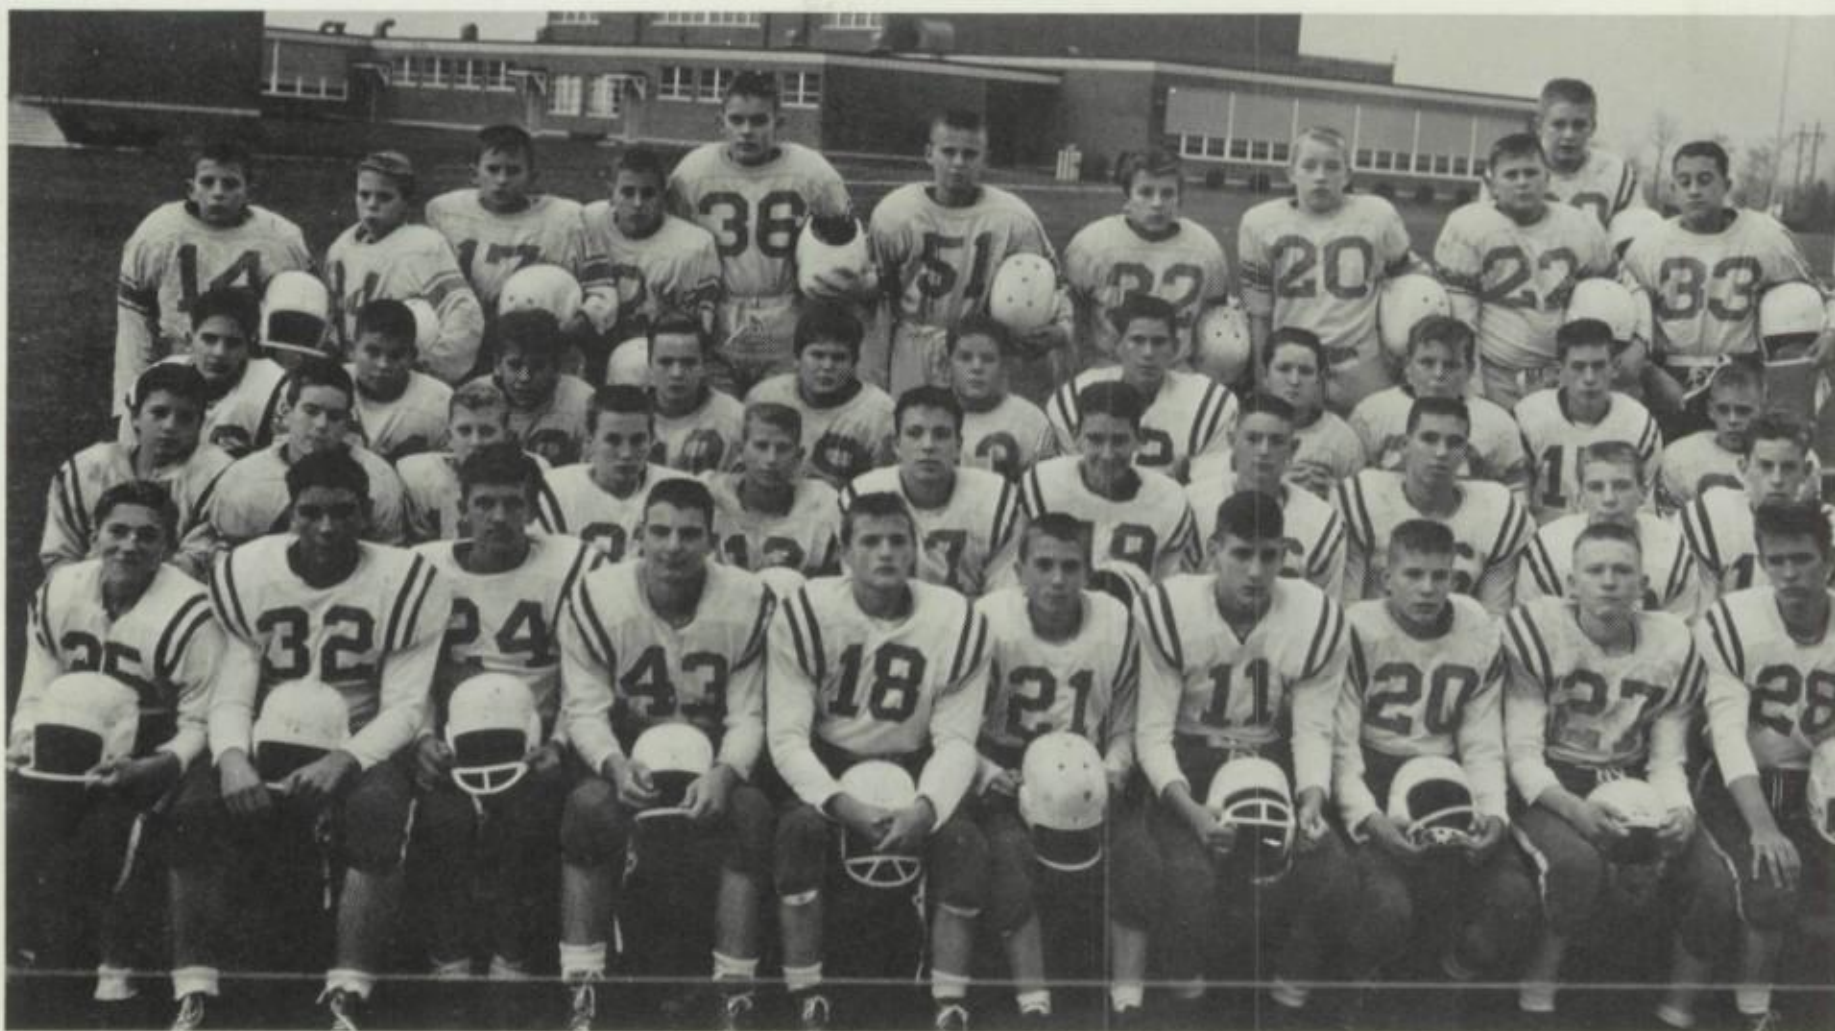

Because so many of the activities planned for Homecoming were rained out, they were rescheduled for the Parents' Day game with Shippensburg, held November 4. Before the game, parents of the Varsity football team members were recognized and the mothers received chrysanthemums and the fathers were given footballs with their sons' numbers. Halftime activities included a special presentation by the combined Elementary, Junior, and Senior bands. The Homecoming Queen and her attendants were taken for a drive around the track to view their subjects. Coming back to the field for the second half the members of the football team burst through a crepe paper banner inscribed "Dump the Greyhounds," and dump them they did by scoring 22 points to out do Shippensburg's Eleven, who scored only 13.

JUNIOR HIGH FOOTBALL SQUAD

JUNIOR HIGH FOOTBALL

The Northern Cubs, under the coaching of Ellerslie Blyler and John Allison, were a member of the West Shore Junior High Football League. The team lost some heart-breaking games but played every game as hard as they could. The main objectives of Junior High football are to teach the boys fundamentals of football and to give them playing experience in their Junior High years.

The offense attack was highlighted by Vernon Vandevender. Vernon, only an eighth grader, has another year to play for Northern and should be the most powerful back in the league. Larry Ruth, Paul Dahr, and Eric Ginter were the top boys on defense. However, these boys will be moving up to the varsity squad next year. Mr. Blyler will have many veterans returning next year and is looking forward to having a great team next year.

The varsity squad was composed of twenty players and two managers. Prior to the season, eleven of the girls traveled to Elizabethtown College for a training camp. Although the girls played hard, they weren't able to compile a winning seasonal record. In addition to their seven scheduled games, the team members also participated in the Lower Susquehanna Field Hockey Playday which was held at Range End Field.

There were four seniors on the starting line-up: Judy Hoover, fullback; Charlotte Keller, forward line; Barbara Price, goalie; and Linda Wire, center forward.

This is the third year for the Junior Varsity Squad, which compiled a winning record this year. These girls are training for future years in Northern High Hockey.

PINNING THEIR MEN — OUR

Northern's grapplers got off to a great start by winning the pre-season Northern Holiday Invitational Tournament. A large crowd of spectators saw our boys, in competition with wrestlers from seven other schools, win in three classes: 95 lb., Eugene Good; 103 lb., Dave Roberts; and 112 lb., Ron Witmer. In addition three runners-up were from Northern: Jon Sileo (138 lb.), Bob Long (145 lb.), and Bill Weder (154 lb.). The highlight of the last evening of the meet was the presentation of the team trophy to Coach Estright.

This win, and the league wins thereafter, would not have occurred without the excellent training and guidance of the coaches: Mr. Estright and Mr. Rhone. All of the boys underwent rigorous training and long practices to perfect their wrestling. "Making weight" seemed to be the primary concern of everyone, as excellent will power overcame good appetites.

This year's squad included four seniors: Eugene Good, Gerry Stough, Frank Merovich, and Bill Weder. With so many boys training for action in coming years, we look for a bright future in wrestling at Northern.

The ever-present backbone of school spirit, Northern's pretty and peppy cheerleaders, had a very eventful year. The four squads, Varsity and Junior Varsity Squads in both the Senior and Junior High, were advised by Mr. Wagener. This year was the first year for a constitution and an executive council, which set the policy for all our cheerleaders to follow. In addition to cheering at athletic events, the girls also led the student body at all of our many pep assemblies. They again sponsored a spring cheerleading clinic, with representatives of over 70 schools attending. Slogan ribbons and Polar Bear buttons, worn by many students, were sold by the cheerleaders to promote school spirit and also as a money-making project.

They also sold knitted wear in our school colors, purple and white. Sponsoring the annual Homecoming Dance and dances after basketball games was another activity. Most of the money in the treasury is spent for uniforms and this year we saw our Varsity gals all decked out in striking new ones. With the last sports event of the year the four senior members of the Varsity Squad — Barb Price and Sue Gruber (Co-Captains), Shirley Junkins, and Marlene Grim — ended a cumulative total of twelve years of following and cheering for our teams. We congratulate these girls and all of our cheerleaders on a job well done!

SINKING SHOTS TO RAISE THE SCORE

The members of this year's basketball teams showed a desire to win and a spirit not dampened by defeat. Practicing, dribbling, passing, and going up to score, our boys worked to win their games.

Composed of four seniors and four juniors, the Senior High Varsity squad, coached by Mr. Allison, was the smallest of the squads. Varsity squad seniors were Rick Baker, Larry Chronister, Woody Knaub, and Jay Young. Mr. Blyler coached the Senior High Junior Varsity team. Nine boys made up the squad. These sophomores and juniors gained experience for their coming years as

Varsity squad members.

In our Junior High, Mr. Kistler's Varsity squad members showed a lot of pep and fight. Of the twelve squad members seven are freshmen and will be moving up to Senior High action next year.

The largest team was the Junior High J.V. squad with sixteen members. Mr. Fricke coached the boys, many of whom were out for basketball for the first time. They learned the fundamentals in practices and saw much action in their games.

The purposes of the Varsity Club are to promote better athletics and good sportsmanship, to set higher goals for participants, to stimulate interest in athletics, and to set higher athletic standards.

The officers of this year's club were Gary Gochenour, Pres; Jon Sileo, V. Pres.; and David Roberts, Sec.-Treas. Senior members were Rick Baker, Larry Chronister, John Diehl, Gary Gochenour, Eugene Good, Guy Fortney, Ken Ilgenfritz, Frank Merovich, Gerald Stough, Bill Weder, and Jay Young.

In order to be eligible for membership in the Varsity Club, a candidate must have received a varsity letter and be active in a sport. However, just the receiving of the letter and the participation do not automatically guarantee membership. The candidate must be voted into the club by the current members.

The club members provide parking directions for all events at school as a service project. As a reward for services and achievements, the seniors receive varsity jackets with an emblem symbolizing the sport in which they received their letters or participated in four years.

It's 1972 — we're attending the ten-year reunion of the class of 1962 at Dillsburg's beautiful country club. Almost all of our class members are here. Let's find out what has happened to them in the past ten years.

Jamie, who traded in her Ford for a compact car, is a private secretary (for Fred?).

Carl Beamer is the chief photographer for the Harrisburg Patriot-News. Now married, he is the father of a darling little daughter. Charles Myers is also a staff photographer for the same newspaper.

Ed Chubb has a radio and TV repair shop. Donald Weller owns the biggest farm for miles around.

Barb Byers, famous for her music ability, now gives private lessons in New York.

Gary Gochenour is the quarterback for the Green Bay Packers, who have led the league for the last five years.

Ann Bentz is now a social studies teacher at Northern. She's one of the best-liked teachers — she never gives homework on week-ends. Esther Cook is teaching first grade in the Northern Elementary School and Sue Gruber is the teacher in the newly developed kindergarten in the Dillsburg area. Sue says she especially likes nap time for the kiddies. Eugene Good is also teaching in the Northern School system.

Rick Baker is head coach at the near-by high school, where his teams have made a habit of collecting trophies.

Jean Bell, with her red hair, is setting classes on fire. Always enthusiastic, she's one of the best teachers Northern ever produced.

Charles Burns, after a hitch in the Navy, has settled down in our valley as a farmer.

Betty Blake has just returned from a trip around the world. She has many interesting stories of her adventures.

Larry Chronister is a space scientist in the animal research laboratory at Cape Canaveral.

Having gotten her degree in education, Tina is now married (to a coach?) and has twins, a boy and a girl.

Woody Knaub, Gerald Slothower, and John Myers are electricians in the Air Force. Fortunately, none of the boys got their wires crossed.

Bonnie Wolf is the nurse in charge of the accident ward at New York General Hospital. Members of her "crash and smash" staff include Mary Jane Henrikson, Delores Miller, and Karen Wagner.

Marlin Mackey is developing a car only men can drive . . . he never lost his hatred of women drivers.

Maybe Doug's dentistry isn't paying off — we see only two fingers on his right hand.

Doris Miller, who is a filing clerk for a large manufacturing firm, and Linda Wire, who is a key punch operator, are both working in Chicago.

Ted Shope is an Ivy League type mechanic.

Ronald Elicker is president of the Ford Motor Company and has just developed an engine that uses water for fuel (he's sure to become a millionaire). Assisting him on this project was James Otto.

Kathy is the private secretary to the president of Lycoming College in Williamsport.

Marlin Dahr is back, looking for old friends.

Dennis Goodling is madly illustrating "Mad" magazine and can't be with us. We hear that his favorite saying is "Who, me worry?"

Linda Miller is still studying to be an obstetrician. She will join Dr. Spock in child development research at Yale.

Barry Runk, now the world champion pool shooter, is the life of the party tonight. He learned a fabulous technique while in the Navy (pool, of course).

PROPHECY

Moe Stough is the chief engineer in the boiler room of the wackiest ship in the Navy. Bill Spates is the captain of the ship.

John Diehl is a career Marine and is not able to be with us. Nobody has heard from Conway Ditlow for a long time. We wonder where he is.

Sherry Fissel takes notes on the operations of a neurosurgeon in New York.

Ken Firestone, assisted by Wayne Myers, irons out the bugs in the manufacture of new Chevys.

Jean Eggleston is working for a doctor in Harrisburg.

Joe Freed couldn't come — he's chief of naval operations in Washington. The Navy had to give him an office sit-down job because he slipped on the poop deck during a raging storm and broke his os calcaneus. Ken Ilgenfritz rescued Joe from his perilous position and is now assistant chief of naval operations. (We wonder if the boys didn't plan this maneuver since they both suffer from sea-sickness.)

Lois Sherman is secretary to the assistant chief of naval operations. She didn't have to slip on the poop deck to get her job.

Penrose Myers is now manager of a cafeteria where the trays go by and pick out a 'people' instead of people going by and picking out a tray. Penny never did like cafeteria lines.

Karl Myers, in the Navy, is stationed on the Riviera. How lucky can a guy get?

Ruth Masemer is a happy, contented housewife. She has four children now.

Is Frank Merovich really a member of the French Foreign Legion?

The leading fashion illustrator for "Harper's Bazaar" is Carolyn Rosvally.

Charles Monmiller is a famous actor on Broadway starring in a rerun of "Where's Charley?"

Barb Price is a Physical Education teacher and cheerleading advisor.

Glenn is the chief cook at the Peppermint Lounge where he teaches the Twist during his spare time. He says the dance will never die.

Jim Dorsey is working at the York Hospital.

Guy Fortney is now head of a construction company, after leading a lengthy revolution against the previous head. Jay Hammond is now second in control of the company.

Charlotte Keller just drove up in her new T-bird. She executive director of the United States YWCA's. Judy Hoover is her secretary.

Jay Young is headmaster at Eton and Bill Weder is an engineer for Westinghouse.

A laboratory technician, Earl Wehler is married and lives in Grantham.

Ron Wenger made money — till the police caught up with him. Not really — he's one of the most ambitious businessmen we know.

Shirley Junkins is the United States representative to Mexico.

Our class produced many secretaries and beauticians. Martha Cook is the governor's secretary. Gloria and Daun are office secretaries at Northern. Betty Harbold works as a medical secretary during the day and gives music lessons at night. Verda (Mrs. B.) is a legal secretary in Harrisburg. Sandra Kottcamp and Lois Lehman are office secretaries. Ruthanna Anderson Bressler is now a legal secretary for a lawyer in Carlisle. Gayle and Marlene have a chain of beauty shops. Peg, Kay, Carolyn N., Carolyn S., and Mary work for them. Kitty Cassell, Gerry Cutlip, and Carole Gladfelter have opened a huge beauty shop in Dillsburg and manufacture Glad Cut Kits for people who want to do their own hair.

Now it's time for refreshments and since we never could pass up food — Let's go! But don't you wonder what the next ten years will hold for the members of the Class of '62?

EPILOGUE

Our senior year draws to a close; one goal has been achieved. But there lie before us yet greater goals to achieve. We have our knowledge, our experience, our resources, our ambition — we pray that we may use them wisely.

Now, as we step forth to take our place in society, we look back. We see our parents — ever ready to help us if we should falter on our paths; our teachers — always supplying us with the best background in education; and our friends — continually beside us to restore our faith, help us with our problems, and give us companionship. Reflecting upon these things we now appreciate them more fully.

But let us look ahead also. There are greater things before us. Now we go forth — to identify ourselves.
